

Does God Exist? Videos of Google

The following programs with their URLs are available on Google videos. If you have this sheet on paper, you will have to type in the URL. (Do this carefully because some of the URLs have hyphens after the equal sign.) If you have this on your computer, all you will have to do is copy/paste the URL to your browser's "address" or "location" bar to get these videos from Google. (You should be able to copy/paste even if this sheet is in a PDF file.) If you have any problems, please contact us at marcusen@michiana.org.
