

# WHAT DOES THE BIBLE TEACH ABOUT THE RESURRECTION?

These pages contain endnotes and a bibliography from the article, “What Does the Bible Teach about the Resurrection,” by Phillip Eichman, which appeared in the January/February 2011 and March/April 2011 issues of the *Does God Exist?* bulletin. Due to space limitations in the printed bulletin we omitted the endnotes and bibliography from the article. We are making this bibliography available to anyone who would like to have it for further study.
